SPECTATOR

DR. THOMAS R. RUMSEY

Over the past years the class of 1979 has become very close to you. You have taken time out of your very busy schedule to talk to us and to help us with our problems. You've been a friend.

Having been associated with us you realized that growing up and beginning a whole new life would be difficult. But you gave us the incentive and courage to meet this new challenge. We now feel capable of pursuing our career goals. The class of 1979 would like to thank you.

SENIORS

LAUREN MICHELE ATWELL

Crank down the wheels of my mind, Lord . . .
so I can concentrate on You.
Even in these special quiet moments,
my mind races with projects for the day.
Slow my strategies to a grinding halt,
so I can hear your voice
in the midst of my earthly plans.
Redesign today's blueprint if You need to,
because You can best be reflected in me
when I'm still, quiet, listening to You.
You have so many beautiful qualities, Lord.
Which one do You want me to reflect today?
Donna Leonard

This nation to be united, as is our motto,
must first come to realize that all men
though different in skin, are non-different
in soul. We all feel pain and know the
warm sensation of Happiness . . .

Lauren

Above all: to thine own self be true.
Hamlet

I have promises to keep, and miles to go
before I sleep, and miles to go before I
sleep.

Robert Frost

Therefore, my beloved brethern, be ye steadfast, unmoveable,
always abounding in the work of the Lord, for as much
as ye know that your labor is not in vain in the Lord.

I Corinthians 15:58

If God be for us, who can be against us?
Romans 8:31

In the spaces between my dreams, I sometimes find a strange

Asleigh Brilliant

SALLIE GERALYN AYCOCK

I am weary of planning and toiling
 In the crowded hives of men;
 Heart weary of building and spoiling
 And spoiling and building again;
 And I long for the dear old river
 Where I dreamed my youth away;
 For a dreamer lives forever,
 And a toiler dies in a day.

John B. O'Reilly

Robert Browning

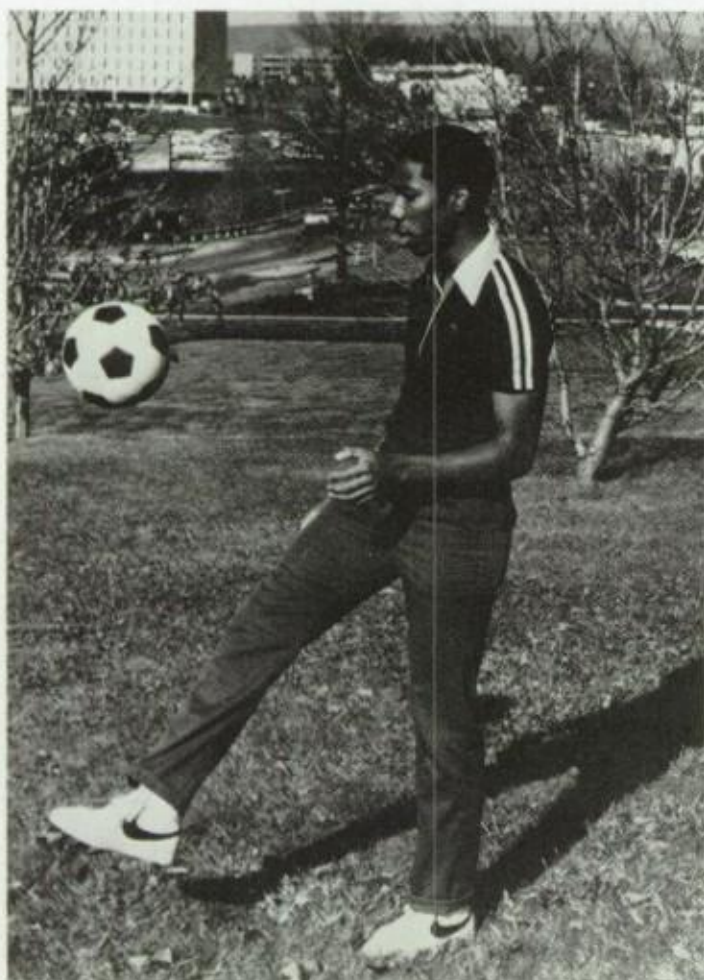

. . . all our days are passed away in thy wrath; we
spend our years as a tale that is told . . .

So teach us to number our days, that
we may apply our hearts unto wisdom.

Psalms 9:12

If it be now, 'tis not to come; if it be not to come, it
will be now; if it be not now, yet it will come; the
readiness is all.

Hamlet V,ii 232

"Like anybody else's my faith is sometimes rocked.
When I'm feeling low, I draw faith from the prayer of
St. Frances of Assisi. Part of it says, 'where there is
doubt, let me sow faith; where there is despair, hope;
where there is darkness, light, and where there is sad-
ness, joy.' I think it is the perfect prayer."

Hubert Horatio Humphrey

SHELLY MARIE CHAUVAUX

As there is the music of the spheres, there is indeed the music of the growing things in nature. There is then the music of NATURE itself! There is the music of the growth of the rose, of every plant that bears color, of every one that opens its blossom for the edification, for the sanctification even of the environs thereabout!

Edgar Cayce

Grasp the trees and life, look at the nature around, and you will be, be a child run free.

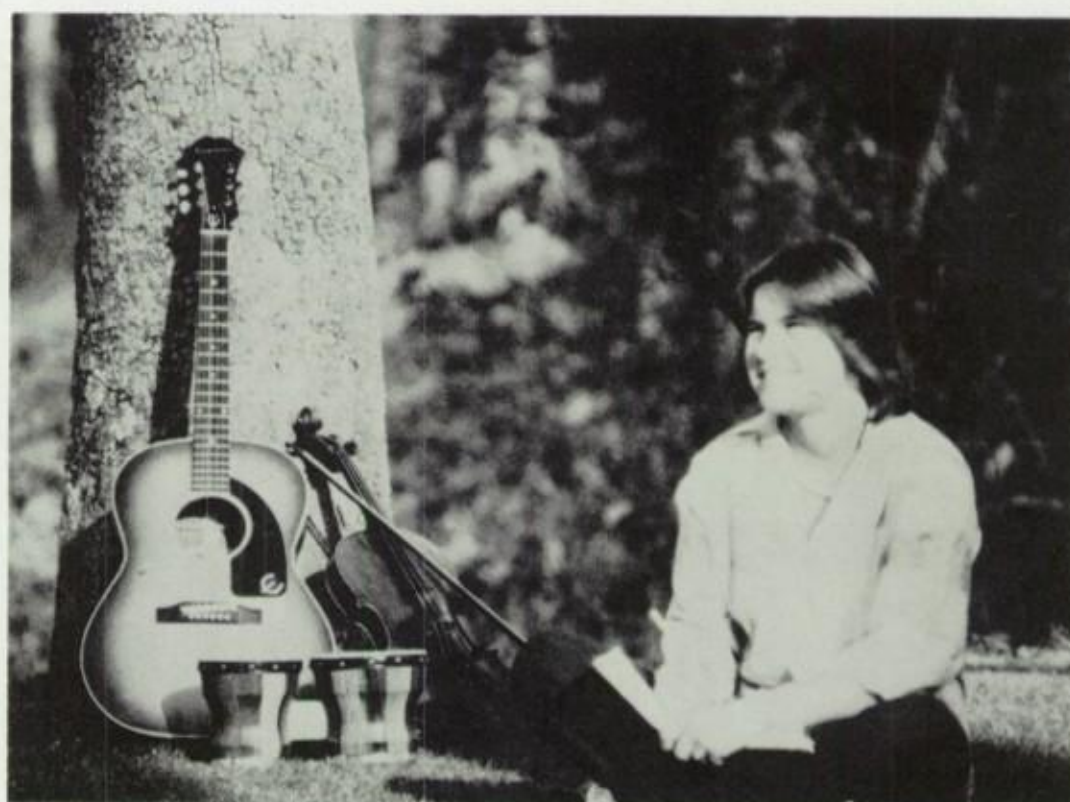

Shelly Chauvaux

The spirit of music is the cure of evil for the healing of mankind.

Goethe

Life is to be fortified by many friendships.
To love and to be loved is the greatest happiness of existence.
S. Smith

It is a feeling completely natural with
another
Shedding all pretense and all sham, just
being yourself.
It is sharing with another both big and
little things,
Joy and sorrow, laughter and tears.

TERESA LYNNE DOUGLAS

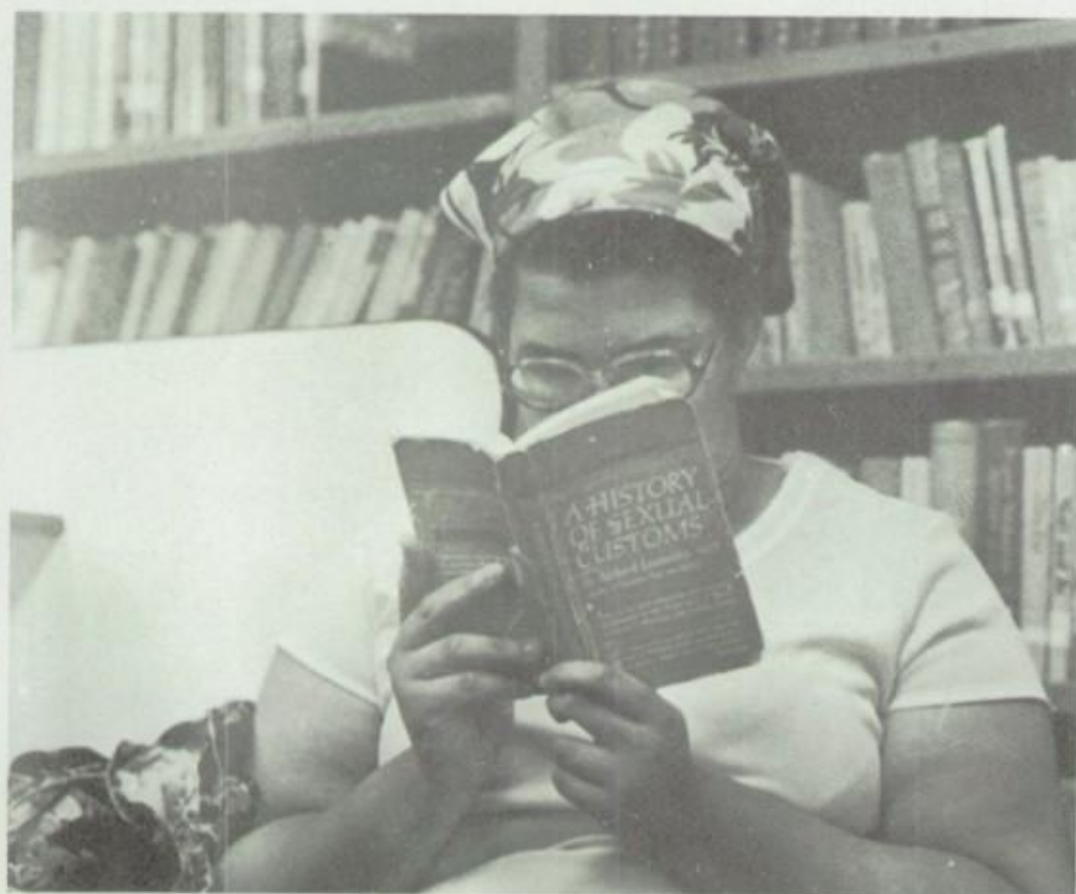

To fling my arms wide
In some place of the sun
To whirl and to dance
Till the white day is done.
Then rest at cool evening
Beneath a tall tree
While night comes on gently,
Dark like me —
That is my dream!

To fling my arms wide
In the face of the sun
Dance! Whirl! Whirl!
Till the quick day is done.
Rest at pale evening . . .
A tall, slim tree . . .
Night coming tenderly
Black like me.

Langston Hughes

FACULTY

MR. ASLAM KHAN

Mr. Khan, we have not always been ideal students, but you have managed to put up with us nevertheless and have helped us to realize our own potential. THANK YOU, Mr. Khan, from the class of 1979.

Sensitivity on the biological level can be defined as the ability of all living things to respond to changes in the environment. This ability is essential to maintain life. Sensitivity on the humanistic level means the quality of being considerate of others. A sensitive person is aware of and responds to the needs of other people. This quality is essential if we are to grow as humans.

There have been many changes in our school environment: a new Headmaster, new faculty, new students. We have all responded to these changes. The unanswered question: how sensitive have we been to others? I think there is room for much greater growth as human beings.

As the year began, I was a stranger—unacquainted with people here and unfamiliar with the program.

Soon I came to know Board members who are wise and helpful; soon I came to know faculty members who are cooperative and supportive; soon I came to know students who are open and responsive.

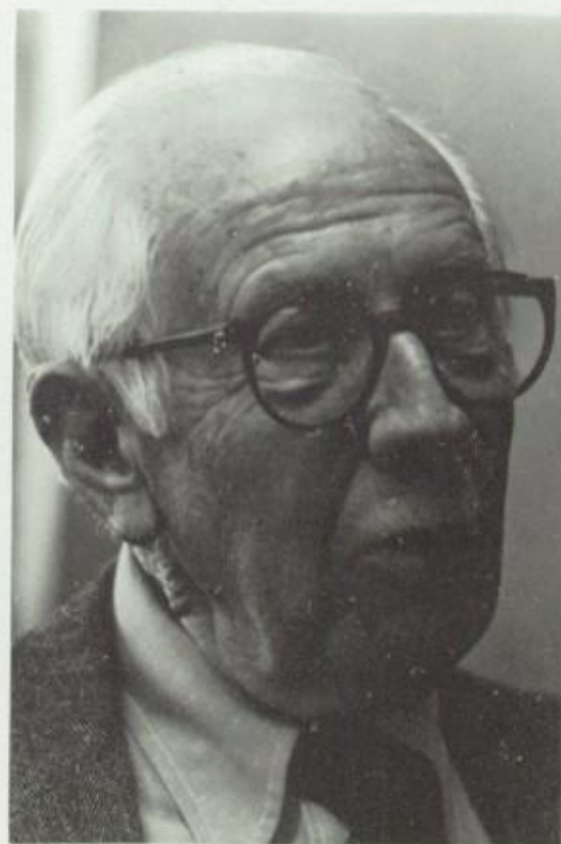

I appreciate the people of The Harrisburg Academy. With them I hope to **continually** improve our program.

Diversity in age is what makes our school unique. The young look up to their seniors with awe and respect for their experience and size. Seniors, take time to admire the very young, their trust, their vitality, their joy in the most common of things; these are qualities to take with you.

The seed was sown, cultivated with patience, grew to maturity with friendship and finally bloomed — a teacher's prayer was answered.

God, give me faith to see beyond today,
To sow the seed and cultivate the soil,
Then wait serenely, trusting in thy power,
To bless and multiply my humble toil.

Behind senior tri-captains Robert Bartley, David Heisey, and Scott Juvelier, the Academy soccer team posted an 8-5-1 record and their third consecutive winning season. The team was in every game they played outscoring their opponents 40 to 25 and not losing by more than a two goal margin. David Heisey led the team's scoring with 17 goals, three short of the school record. 15 of the 34 boys who played this year, the most ever to participate in a varsity soccer program, earned letters. Center halfback Robert Bartley and goalie Scott Juvelier were named to the K.S.A.C. All-Star Team for the second straight year.

After having lost seven of the first ten players from last year, the Spartans were not particularly looking forward to the 78-79 basketball season. However, after 10 games the team has turned in a surprisingly good 5-5 record. Captains Scott Juvelier and Dana Reiter have led a relatively inexperienced team to several big wins over Belleville and Carson Long. With only two seniors on the team, the Spartans are already looking forward to next season.

GIRL'S VARSITY BASKETBALL

ROW 2: T. Douglas, L. Stevenson, A. Berman, L. Atwell, K. Swank, C. Dowdell

The girl's basketball team is currently concluding one of their more successful seasons. In league competition the Spartanettes are 3-1 with a chance at the K.S.A.C. division title. With two games left to play co-captain Kim Swank is the team's leading scorer averaging 19 points per game while Mindy Goodman averaged 11. Co-captain Melanie Diana is leading the team rebounds with 12 per game. Other starters include Lori Atwell, Liz Sapirstein and Lisa Grad. We expect our girls to place several players on the league All-star team.

GIRL'S TENNIS

The girls' varsity tennis team is looking to repeat their spectacular performance as Blue Mountain League champions. With four of their first five players returning from last year's team they will be a serious threat. Betsy Goodman is expected to lead the team at the number one position. Other expected first five players include Liz Sapirstein, Mindy Goodman, Karen Edmunds, Becky Altaker, and Nancy Morrison. We wish the girls the best of luck!

1978 marked the inaugural year for Girls' Softball at the Academy. The 1978 team, 1-4, won the last game of the season 19-17 over Linden Hall in a dramatic fashion which should set the tone for this season. With the exception of two girls the entire team will return this year including last season's M.V.P.'s Melanie Diana and Kimberly Swank who each finished the year with a .500 batting average. Mel and Kim, both seniors, were voted team co-captains for the 1979 season which promises to be a great one.
